

Agapé Home Care Training Center Medical Testing Requirements Student Information Sheet

Due to requirements to participate in clinicals, AHCTC requires that all students present for copying Negative PPD and Negative Drug Screenings that have been completed within the last 6 months. If you do not have a place to get this testing completed, we suggest the following:

- **The Travel Health Immunization Center** (across from AHCTC) which is available for PPD (TB tests) by appointment only @ a rate of \$25.00 for our students.
Phone: (757) 220-9008
- **Velocity Urgent Care** (formerly Sentara Urgent Care in New Town) will do a 12-panel drug test.
4374 New Town Ave #100, Williamsburg, VA 2318
Phone: (757) 772-6124

The student is responsible for scheduling, paying for & getting the results of these tests to us.
